BY THE GRACE OF THE GOD EMPEROR AND THE GRACIOUS PERMISSION OF HIS EXCELLENCY LORD MAWCAMBETH BY A HUMBLE ASSAY-TECHNICIAN ELIZABETH DYER EZEKIEL TASKED WITH THE UPLIFTING MAINTENANCE OF TITHE-LOG CATEGORY 22, TECHNOLOGIES, OTHER.

I HAVE JUST COMPLETED THE MULTI-YEAR ... CORRECTION, IT JUST FEELS LIKE YEARS. PARDON MY LORD, I WILL SUBMIT FOR AUTOFLAGELLATION ... A MULTIPLE MONTH INVESTIGATION INTO THE ORIGIN OF THE MISCELLANEOUS ARCHAEO TECH THAT ARE SUSPECTED TO BE INTRODUCED INTO THE WORKSHOP STREAMS. WE SUSPECTED THAT ILLICIT LANDINGS OCCURRING OUT IN THE WASTELANDS WERE THEN BEING SMUGGLED ONTO THE TRANSWASTELAND MAGLEVS. THIS WAS OUR INITIAL SIMPLEST THEORY AS PER BLESSED ST. OCCAM. THIS PROVED TO BE ERRONEOUS, AND MY PREDECESSOR REMAINS IN A CLASS 2 OUBLIETTE IN PENANCE FOR THEIR WASTING OF TIME AND THE EMPEROR'S RESOURCES.

AS PER JUDGE-HIERARCH GIVADIEL'S INSTRUCTIONS TO FULLY PROVE THE ERROR OF MY PREDECESSOR'S WAYS, WE BACKTRACKED TO THE HIGH FREIGHTER YARDS AND WITH THE THEORY THAT THE TECHNOLOGY WAS BEING SMUGGLED INTO THE OLD HIVES, THAT IT COULD BE DISCOVERED, FALSELY DISCOVERED, IN A PLAUSIBLE LOCATION SUCH THAT ITS PROVENANCE WOULD THENCE FORTH BE IMPECCABLE. AN INGENUOUSLY INSIGHTFUL THOUGHT FROM JUDGE HIERARCH GIVADIEL.

HOWEVER, WE COULD FIND NO SUCH PROOF OF THIS WHAT WITH DIG SITE SECURITY BEING AMONG THE TIGHTEST. IN DEFENDING AGAINST THEFT FROM THOSE LOCATIONS, THEY MAKE IT EXTREMELY DIFFICULT TO SMUGGLE ANYTHING OF NOTE IN. JUDGE HIERARCH GIVADIEL, I CANNOT PRAISE OUR WORK IN THIS INSTANCE, WE HAVE THUS NO IDEA HOW THE TALLIES OF

WHAT IT HAS PERMITTED US TO DO IS TO CREATE A PARALLEL AUDIT LINE, PRAISE BE TO JUDGE-HIERARCH GIVADIEL'S INSIGHT IN THIS, THAT HAS ALLOWED US TO CONFIRM A MIS-TALLY SUCH THAT WE ARE NOW CERTAIN THAT THERE ARE ILLICIT TECHNOLOGIES BEING DISCOVERED FROM PLACES WE KNOW NOT WHENCE. IT IS UNKNOWN HOW MUCH LONGER THIS DISCREPANCY WILL GO UN-NOTED BY RESIDENTS OF THE IMPERIAL SPIRE [REF NOTE; UNCLEAR IF REFERENCE TO ENCLAVE RHO ZETA KNOWN AS 'IMPERIAL TOWER' OR FORGEFANE EYE OF MARS]. I HOPE I WILL BE SHIELDED WITHIN THE OUBLIETTES WHEN SUCH INQUIRIES COME DOWN. MY FAILURE BRINGS SHAME TO ALL WHO CARRY MY NAME.

CROSS REFERENCE ADDENDUM TO REPORT: ASSAY-TECHNICIAN DYER-EZEKIEL WAS ISSUED ONE DOZEN [12] HOUSE TROOPS PLUS MOUNTS, EQUIPMENT AND SUPPLIES FOR THE PURPOSE OF THIS PHASE OF THE INVESTIGATION. MISSION ATTRITION RATES OF SEVEN [7] TROOPS, FIVE [5] MOUNTS

AND NEAR TOTAL LOSS OF REUSABLE EQUIPMENT ARE UNACCEPTABLE. REQUEST FOR FURTHER INVESTIGATION BY JUDGE-HIERARCH GIVADIEL IS DENIED. ASSAY-TECHNICIAN DYER-EZEKIEL WAS CONFINED TO OUBLIETTE ON 5.180.425.M40.

CROSS REFERENCE ADDENDUM TO REPORT: SECURITY-AUDIT OF RAIL-GUILD OPERATIVES ON TRANSWASTELAND MAGLEVS DATED 5.897.424.M40 UNCOVERED NUMEROUS MINOR INFRACTIONS AROUND UNAUTHORISED PASSENGERS BOARDING TRAINS BUT NO INCIDENTS WHERE SEALED SHIPMENTS OF RAW SALVAGE WERE BREACHED. RAIL-GUILDS WERE HIGHLY FOCUSED ON MAINTAINING INTEGRITY OF THEIR SHIPMENTS, ALBEIT MOTIVATED BY PREVENTION OF THEFT, NOT THEIR HOLY DUTIES. SUSPICION OF INTERFERENCE WITH THE SALVAGE CARGOS WAS COMMENDABLY HIGH.

CROSS REFERENCE ADDENDUM TO REPORT: DATED 5.934.424.M40 INTERROGATION OF WASTELAND RAIDERS HAS FURTHER CONFIRMED THAT THE VIEW HELD BY THOSE WHO DWELL IN THE REGIONS THE MAGLEVS TRAVERSE IS THAT ATTEMPTING TO BOARD A MAGLEV IN MOTION IS EXTREMELY DIFFICULT AND ACHIEVABLE ONLY INDIVIDUALLY AND AT GREAT RISK. OFFERS OF BOUNTIES FOR ANY WHO COULD GET A CARGO PACKAGE LARGER THAN A SMALL BACKPACK ONTO A MAGLEV WERE NOT TAKEN UP.

CROSS REFERENCE ADDENDUM TO REPORT: TITHE-AUDIT INVESTIGATION FILE #201.
